

"We urge individuals to take advantage of this tax benefit and Marietta Community Foundation can assist you through the process"

- Ron and Louise Holmes

For a short time, you can make the gift of a lifetime.

Qualified charitable IRA transfers to your community foundation are tax-free.

We help you, help others, forever.

New temporary tax benefits allow qualified seniors to experience the joy of giving more during their lifetimes.

You can give more for less. Americans over age 70 ¹/₂ no longer pay federal income tax on individual retirement account (IRA) funds given to charity up to \$100,000 per person, per year. So your retirement funds can go farther than ever before. This opportunity will expire December 31, 2011.

Community Members Ron and Louise Holmes, pictured above, have already taken advantage of this amazing tax benefit. Both Ron and Louise had the opportunity to donate some of their IRA assets to the causes that mean the most to them.

You can make a difference. Your community foundation can help you connect to the causes you care about most. You can support an existing fund or establish a new charitable fund in your name or the name of a loved one. Giving is one of life's pleasures; we can help you enjoy it today.

There's so much more we'd like you to know.
