MARIETTA COMMUNITY FOUNDATION

Where good intentions become great accomplishments

Fall Newsletter

Since January of 2011, Marietta Community Foundation has distributed more than \$350,000 throughout Washington County

Take a minute to reflect on the headline from above.....during a downturn in our economy, Marietta Community Foundation, because of donors like you, has been able to give more than \$350,000 back to our community so far in 2011. That's impressive and it's amplified when you consider that more than 131 area non-profits and countless individuals have benefitted from grants. The Foundation continues to impact lives throughout Washington County.

During the week of November 12-18, Marietta Community Foundation will join more than 700 community foundations across America for Community Foundation Week. For more than 20 years, this effort has raised awareness about the increasingly important role Community Foundations share in bringing together resources to meet the needs of the community. In 2010, an estimated \$4 billion was given to a variety of nonprofit organizations by Community Foundations.

In Washington County, there are very few non-profits that haven't been touched by the

Marietta Community Foundation at some time or another. More than \$11 million have been given back to our community since 1994. That's \$11 million given by community members for the good of the community.

The success of Marietta Community Foundation is not just because of our grant making skills, but also because of the simplistic services we offer to our donors. A named Fund can be opened in just one meeting and your gift to the community, when joined with others, will continue to grow and make grants for years to come.

Your giving can be done with assurance and trust. MCF has received the National Standards Seal from National Council on Foundations, meaning that it has complied with the standards for integrity and accountability. We strive to make our Foundation stronger and take our commitment to our donors and to the community seriously.

Thank you for your support throughout the year and helping us achieve our goal - improving the lives of the people in Washington County.

Washington County Harvest of Hope, MCF Grantee

Marietta Community Foundation

Good Intentions

Funds established in 2011:

Donor Advised Funds:

Don and Betty Fleming Family Charitable Fund was established to support area non-profits as advised by the donors.

Michael Kirkbride Memorial Fund was established to honor the memory of Michael Kirkbride. The family will make charitable gifts to causes that were important to Michael.

Mt. Moriah 506 Order of the Eastern Star Fund was established to support charitable work in our community as advised by the membership of the Order.

Agency Funds:

Harmar Community Center Fund was established to provide funding and support to the Harmar Community Center.

Friends of the Museums Endowment Fund was established to provide support to the Friends of the Museums, Inc.

Washington County Harvest of Hope Fund was established to support the Washington County Harvest of Hope. Distributions from the fund will be used to replace or make repairs to the Harvest of Hope truck.

Scholarship Funds:

Danny Dutton Athletic Memorial Scholarship Fund

was developed to encourage and promote MHS baseball athletes to seek a higher education while demonstrating a kind and generous soul. The scholarship will be awarded to the graduating baseball player who best exemplifies the spirit of "the consummate athlete or kind soul". Characteristics sought are scholastic promise, financial need and an individual who puts team values/goals ahead of individual accolades.

Dr. Richard Hille Scholarship Fund for Medical Students was established as a memorial to the life of Dr. Richard Hille. This fund will provide scholarships to Washington County students pursuing a medical career. The scholarship aims to assist students during medical school.

Thomas C. Vadakin Memorial Scholarship Fund was established with memorial gifts received by family and friends. The scholarship will be awarded to Washington County high school students in the process of pursuing a post-secondary education.

Field of Interest Funds:

Chavez Run for Charity Fund was established to support military families or families with special needs in having an opportunity to have a family vacation.

Friends of Felines Fund was established in 2011 to support the Spay and Neuter of cats & kittens in the Washington County area.

Teri Ann's 50th Anniversary Fund for Women was established in honor of Teri Ann's 50th anniversary and will support organizations and causes dealing with women's health.

The Tiger Fund was established to provide financial and related support for curriculum and extra-curricular activities in the Marietta City School System that are initiated and/or facilitated by The Tiger Foundation.

Administrative Funds:

Friends of the Foundation Endowment Fund was established to support the operations of the Marietta Community Foundation so that the Foundation will never have to charge administrative fees.

Great Accomplishments

You would tend to think, that after twenty years of service to an organization, one might tire. Not true with Teri Ann. She has been a member of Marietta Community Foundation's Board of Governors since 1991 and she still is as enthusiastic about serving on this Board today, as she was in 1991. "Teri Ann is everything you would want in a board member. She is knowledgeable, supportive and always working at moving the Foundation forward. She epitomizes a good board member. I know that I have benefitted from her years of experience and admire her commitment to Marietta Community Foundation. We could not ask for a better example for the rest of us to follow!" Mark Schwendeman, Chair of the Board of Governors states.

During her service, she has seen the Foundation grow from \$150,000 to more than \$12 M in assets. She has been a part of the grant making process since the beginning that is responsible for giving more than \$11 M back into Washington County.

Teri Ann Zide, Board Member

"When the Marietta Community Foundation was reactivated in 1991 the Council on Foundations in Washington, D.C., was very helpful in guiding the process. One of the Council's specific pieces of advice was to select members of the Steering Committee very carefully because many members of that Committee would undoubtedly carry over to become members of the Board. They suggested a number of criteria for selecting members including energy, interest, willingness to work hard and many others that the reader can guess. But stressed that knowledge of the Marietta area and its needs should be the paramount consideration. After considering all of that advice, the name Teri Ann Zide came to mind very quickly. And here she is 20 years later continuing to do all of the wonderful things for the Foundation, and through its work, for the Marietta area that we knew she would do" states Bob Kirkbride.

Teri Ann served as Chairman of the Board from 2002-2007 and has continually served on the Allocations (Grants) Committee. Fellow Board Member and Allocations Committee Member Mary Vituccio comments, "It has been my delight to have worked with Teri Ann for over 20 years on various projects of the downtown merchants, local organizations, charities, and of course the Marietta Community Foundation. Her knowledge of community needs and resources is astounding and only surpassed by her commitment to serve this community tirelessly." She's consistent in her attendance and her commitment. "It is no secret that I love Marietta, and I believe MCF is the best way to support all that is good for this area. I am proud to be a part of it for so many years," comments Teri Ann.

She has not only been a constant at Marietta Community Foundation, but also in downtown. Her family's store on Front Street, Teri Ann's, just celebrated its 50th year of serving the community. She has been managing the store since her teens, and its' success is a result of her hard work and the relationships she has with her customers.

When you talk with Teri Ann, you realize very quickly that family is at her center. When not working, she can be found enjoying time with her husband, Gary Pfeffer, walking the nature trails at Broughtons, working in the yard and relaxing with the rest of their family. Every community needs more people like Teri Ann, and you can bet that the Foundation counts itself lucky!

Thank you for 20 years of service!
