Grant your "Grant"

Celebrate Community Foundation week by donating to our local charities.

Donations received during the week of November 12th - November 18th, designated for the "Grant your Grant" challenge will be matched by the Foundation, thanks in part to a generous donation from Superior Toyota Hyundai.

Eligible Washington County nonprofits will submit photos, capturing their organization's mission, to the Foundation's Facebook Page.

The three photos receiving the most "likes" by November 18th will receive a portion of the matched funds.
